"I FELT AS IF I WERE IN A MICHELIN-STARRED RESTAURANT"

Writing for Travel Weekly (2022), Nicole Edenedo, celebrated her "four incredible nights aboard the Golden Eagle Danube Express", noting that:

“The Golden Eagle is truly five-star, with impeccable service offered by a highly skilled and talented staff, superb cuisine crafted with such precision…to create such beautifully delectable dishes onboard a moving train three times a day….

My favorite area of the Danube Express train was the dining car. Stepping inside, I felt like I was the star of my own classic movie -- traveling great distances, shrouded in intrigue and solving matters of grave importance in the casual elegance of those velvety, emerald-green booths; aged, dark-wood panels; and spotless white tablecloths….

The food onboard the Danube Express was as unforgettable as the dining car it was served in…The food they prepared was delicious; I often felt as if I were in a Michelin-starred restaurant.”

The social heart of the train, the Bar Lounge Car is the perfect place to relax, enjoy a delicious array of baked goods and play a game of backgammon or two.

Our expert Tour Managers can host a range of programmes to be held in the Bar Lounge Car – including language lessons and engaging lectures led by specialist guest speakers.

The glamour intensifies as the sun sets. Settle back in the plush seats of the Bar Lounge Car and luxuriate in the sumptuous haze of opulent décor and the romantic glow of the setting sun.

Relax as the resident musician delicately plays and our team of specialist bar staff serve up an exclusive menu of cocktails.

UNWIND IN EXCLUSIVE ELEGANCE

GOLDEN EAGLE

"Designed so that guests don't have to lift a finger. The magnificent accommodation features state-of-the-art amenities, an evening turndown service and impeccable assistance from a 24-hour a day cabin attendant – not to mention the generous drinks allowance with on-board meals."

Undoubtedly the premier rail cruise, the private train features three categories of compartment on board – Silver, Gold, and Imperial Suite. All compartments feature en-suite bathrooms with luxurious amenities, large picture windows, remote controlled air-conditioning and heating, a full length wardrobe, personal safe and LCD screens with DVD/CD player.

Our most superior suites; the Imperial Suite, features additional luxurious touches, including a spacious King Size bed, a separate power shower cubicle and underfloor heating, an extra picture window, complimentary minibar, and the option of in-suite private dining (perfect for an intimate celebration.)

EPICUREAN EXCELLENCE
